

Financial Assistance

Effective May 18, 2009

It is camp policy to provide services to all people regardless of the ability to pay established fees. Those in need of financial assistance may be awarded partial scholarship funds according to the chart below. Scholarships are awarded on a calendar year basis and all requests need to include a copy of your IRS 1040 for proof of income.

For families qualifying for aid, the minimum payment per child to attend summer camp will be 35% of the program fee or \$75 whichever is greater. Scholarships are offered for one week of camp per child, per summer for Overnight Camp and all Horse Camp programs. Depending upon availability, scholarships may be available for multiple weeks of traditional Day Camp at a reduced rate. For programs other than summer camp, financial aid is applied to the entire fee.

If the guidelines indicate you may qualify for assistance, please enclose with your child(s) registration, proof of income (IRS 1040) **and** the \$75.00 deposit for summer camp (or your portion of the fee for school year programs). If individuals in the household contribute to the household income but file taxes separately, their IRS 1040 should be included as well.

Please note – financial aid cannot be combined with other coupons, discounts or promotional offers.

Gross Annual Household Income	Size of Family (household)				
	Percent Paid by YMCA				
	2	3	4	5	6
\$0 - \$30,000	50%	50%	50%	50%	50%
\$30,001 - \$35,000	45%	50%	50%	50%	50%
\$35,001 - \$40,000	40%	45%	50%	50%	50%
\$40,001 - \$45,000	30%	40%	45%	50%	50%
\$45,001 - \$50,000	20%	30%	40%	45%	50%
\$50,001 - \$55,000	10%	15%	25%	35%	40%
\$55,001 - \$60,000	0%	5%	15%	25%	35%
\$60,001 - \$65,000	0%	0%	5%	15%	25%

** Gross household income includes income from all sources, including non-related household members. The total number in household refers to the total number of people living in the house as a family unit. For example, a family with two parents and one child would be a household of three; and a family with one parent and two children would be a family of three.
