SMALL GROUP SPECIALIZED TRAINING DAVID D. HUNTING YMCA

Join this high energy small group class around the Rip Training tower by TRX and learn how to train your core efficiently by activating your core correctly, while also developing functional total body endurance and strength.

- Class taught by a Nationally Certified Personal Trainer certified as an instructor in TRX RIP training
- Meets for 30 minutes, twice per week
- Delivers a fast, effective total-body workout
- Helps build a rock-solid core
- Increases muscular endurance
- Benefits people of all fitness levels
- Great style of training for sports specific movements that relate to rotational mobility
