## WHY 3 PRICES?

Realizing that families have different abilities to pay, YMCA Camp Maniou-Lin has instituted a voluntary three-tier fee program. You may choose the tier that is most suitable for your family; it is really an **honor system**.

All campers receive the same YMCA CML experience no matter what they pay. For those families that can not afford Tier 1 additional financial assistance is available to ensure that all children have this wonderful opportunity to attend camp.

**TIER I** is our historically subsidized rate and does not reflect the true cost of operating summer camp programs.

**TIER II** is our partially subsidized fee for those who can pay a little more but still can not afford the actual cost of camp.

**TIER III** more closely accounts for the true costs of camp including wear and tear of building and grounds.

### OUR GOALS:

- To provide the highest quality programs possible.
- To serve all community income levels.
- To preserve camp for generations to come.

This program is **voluntary** and **in no way influences the experience children receive**, yet it offers the opportunity for families to take an active role in supporting the true cost of their child's camp experience.
