

HELP STOP THE SPREAD

HEALTH SCREENING QUESTIONS:

1

Have you been notified that you have had close contact with a person that has been diagnosed with COVID-19 through a positive test in the last 14 days?

If yes, do you work in the healthcare field?

2

Do you have any of the following symptoms?

- Dry cough unrelated to a chronic health condition
- Difficulty breathing or shortness of breath
- Diarrhea, chills, or sore throat

3

Is your temperature above 100.4°?

- If you have a temperature over 100.4° you will not be permitted to enter the facility.
- We ask that you stay home until you have no symptoms.
