TIERED PRICING

WHY 3 PRICES?

Realizing that families have different abilities to pay, YMCA Camp Maniou-Lin has instituted a voluntary three-tier fee program. You may choose the tier that is most suitable for your family; it is really an **honor system**.

All campers receive the same YMCA CML experience no matter what they pay. For those families that can not afford Tier 1 additional financial assistance is available to ensure that all children have this wonderful opportunity to attend camp.

TIER I is our historically subsidized rate and does not reflect the true cost of operating summer camp programs.

TIER II is our partially subsidized fee for those who can pay a little more but still can not afford the actual cost of camp.

TIER III more closely accounts for the true costs of camp including wear and tear of building and grounds.

OUR GOALS:

- To provide the highest quality programs possible.
- To serve all community income levels.
- To preserve camp for generations to come.

This program is **voluntary** and **in no way influences the experience children receive**, yet it offers the opportunity for families to take an active role in supporting the true cost of their child's camp experience.
