OUTDOOR EDUCATION
at YMCA CAMP MANITOU-LIN

WELCOME!

YMCA Camp Manitou-Lin allows you to discover the wonders of the outdoors through our values-based programs that emphasize caring, honesty, respect, responsibility, and inclusion. Our curriculum is designed to be a hands-on, fun way to learn and experience educational topics. Come stay with us!

A great adventure awaits...

YMCA Camp Manitou-Lin is conveniently located just 35 minutes from downtown Grand Rapids and 40 minutes from downtown Kalamazoo. Our comfortable facilities include year-round lodging with indoor shower/bathroom facilities, a picturesque main lodge and dining hall, Willem's Discovery Center, climbing walls, zip line, high ropes courses, archery ranges, and much more.

As part of YMCA Camp Manitou-Lin's commitment to Youth Development, Healthy Living, and Social Responsibility, our camp staff works to incorporate the core values of Caring, Honesty, Respect, Responsibility and Inclusion into everything we do. We strive to emphasize self-esteem, problem solving, and a personal commitment to teamwork through all of our camp activities for students.

Whether you're looking for an environmental education trip, a teambuilding adventure, or a complete camping experience, we can customize a program to fit your school's particular needs.

Our staff are trained to teach environmental and adventure-based curriculum. They are energetic, committed, caring people who want your students to maximize their camp experience. Our staff lead all camp activities, allowing teachers to connect with their students on a new level.

This informational booklet highlights just a few of the options and facilities available at YMCA Camp Manitou-Lin. To discuss your options further or begin your booking process, please contact Josh Wilson at jwilson@grymca.org or call us at 269-795-9163.

WILLEE NOXEN & VALUES

“A Job Well Done!”

One of our proudest traditions at YMCA Camp Manitou-Lin centers around the phrase “Willee Noxen.” This phrase means “a job well done” and should be used freely during your time at camp to congratulate students and acknowledge an accomplishment or a good choice made.

In order to receive a “Willee Noxen” at CML, students must practice the YMCA core values (caring, honesty, respect, responsibility, and inclusion) and the 6 C’s of 21st Century Skills. If your school stays for more than one day, one male student and one female student will be selected to receive the Willee Noxen Award. This award is proof that they exemplified the spirit of Willee Noxen during their trip to camp.

We train our staff to connect all of our camp activities to a relevant YMCA core value, and to explain to students how their camp experience links back to real-world situations at school, home, or elsewhere. The key to meaningful character development at camp is to understand that the core values are a tool that can be used in all parts of your life—including the classroom! We encourage teachers and staff to continue using “camp lingo” in the classroom, including references to the Y’s core values and Willee Noxen. This will help cement the concepts taught at camp and will aid in developing a positive, values-oriented class culture.

FACILITIES AND LODGING

ON THE SHORES OF OLD LAKE BARLOW...

YMCA Camp Manitou-Lin's 160 acres include rolling hills, fields, woods, waterfront access on beautiful Barlow Lake, hiking trails, various program areas, cabins and meeting spaces. We encourage you to schedule a tour with a staff member to see firsthand what our beautiful and historic property has to offer.

WILLEM'S DISCOVERY PLACE

Dedicated in 2017, Willem's Discovery Place is the newest addition to YMCA Camp Manitou-Lin. It is comprised of a beautiful new 1,500 square foot nature center and wetland trail with covered teaching stations.

Willem's Discovery Place is named after Willem Radosevich, an avid fourth-generation camper at Manitou-Lin, who passed away in 2012 after a courageous eight-month battle with a rare autoimmune disorder. In honor of his spirit and zest for life, this nature center and trail are dedicated in his memory.

Please label ALL items with student's name. Closed-toe shoes are required for participation in many activities, including horseback riding, high ropes, zip line, and rock climbing. Long pants are required for horseback riding. Michigan weather is unpredictable and many activities are exclusively outdoors, so please come prepared. Personal Property

Immerse Yourself in Nature!

YMCA Camp Manitou-Lin is proud to be a tech-free zone. We encourage all visitors to leave electronics and cell phones at home. This will help you connect with nature, but also with each other. Cell phones, smart watches, and other electronic equipment can easily be lost or damaged during your time at camp. Cell service is spotty at Camp, so we have an emergency phone number that can be provided to parents/guardians if they need to reach school personnel during your trip.

THINGS YOU SHOULD KNOW

Info for Students

- There are bugs at camp. We try our best to keep them outside. Please don't bring food into cabins, because that invites critters inside.
- We have well water at camp, so it may taste different than your water at home. It is safe to drink and is tested for quality on a regular basis.
- You'll be moving and grooving more at camp than you normally do at home, so make sure to drink extra liquids while you're here. Water is your friend!
- When it is time to be quiet, our staff need your attention, so we can move on to the next fun thing. We will teach our quiet signal when you first arrive.
- We act goofy and fun at camp, but that doesn't mean we enjoy disrespectful behavior. Have fun and enjoy this time to be carefree and happy. Play games with us and sing your heart out when it's time to!
- Some activities are designed to push you outside of your comfort zone. That's good! Try to set a goal for each activity and accomplish it, even if it seems like a simple task to you. For example, if you are sure you don't want to go horseback riding or zip lining, consider petting one of the horses or trying on a harness instead. That will get you a Willee Noxen for being brave!

CHAPERONE RESPONSIBILITIES

General Guidelines

1. **Plan to be with your group at all times. If you must leave the group, ensure that another chaperone is supervising the group.**
2. **Never send students anywhere on their own. We recommend the “truddy” system (sending a group of three) for students’ safety.**
3. **During classes and activities, try to actively participate with your campers, unless staff have requested that you only observe (i.e., during Teambuilding).**
4. **Set a good example for your group by modeling good behavior. Follow all rules, be positive and enthusiastic, and dress appropriately for the weather.**
5. **Please help to enforce camp rules and encourage positive behavior from students. Take charge of any situation where a student is not following the directions or guidelines of our staff members.**
6. **Ensure that students are dressed appropriately for the day’s activities and for the weather conditions.**
7. **Do not consume alcohol, illegal drugs, or tobacco products on camp property, including parking lots and wooded areas.**
8. **Coffee and tea are available all day for adults, but are off-limits to students.**

In the Cabin

1. **Remember to keep the group together in the cabin at night.**
2. **Please do not allow horseplay in the cabins (i.e., jumping from bunk to bunk, pillow fights, water fights, etc.)**
3. **Contact camp staff in the event of a maintenance or facilities emergency.**

In the Lodge

1. **Please spread out so that there is at least one chaperone at each table during mealtimes.**
2. **Encourage polite table manners and passing of food. Ensure sure all students get a first helping when the food arrives at your table.**
3. **Hopper tags are required for students to leave the table during a meal (except for bathroom visits).**
4. **During cleanup, all table members should help scrape and stack dishes to make the hoppers’ duties easier. Students should not be wandering around other tables to chat with their friends during cleanup time.**
5. **Please do not allow students to leave the lodge until the group has been formally dismissed. Announcements are often made at the end of meals and it’s important that all students are present to hear those updates.**
